

Regulatory clarity

FROM **cause** TO **cure**

ELIQUENT Life Sciences brings clarity to regulatory complexity. We are expert consultants delivering the answers and solutions that life sciences innovators need to gain and maintain market authorization for their products.

Quality & Compliance Solutions

A strong quality program is a cornerstone of regulatory success. With decades of experience developed as leaders in both the public and private sectors, ELIQUENT is the industry leader in quality and compliance capabilities. Our team of respected professionals, along with a network of ready to deploy global experts, serve as trusted partners to global life science innovators by guiding companies to sustainable quality and regulatory excellence.

Full-Service Support

ELIQUENT's unique platform goes beyond traditional consulting to deliver end-to-end solutions. Our integrated quality and compliance services address the entire product lifecycle with best-in-class insight and solutions that bridge the spectrum of regulatory challenges. ELIQUENT full-service quality and compliance solutions align with your regulatory goals to unlock success.

Quality Systems

With decades of hands-on experience, ELIQUENT professionals provide objective evaluation and expert direction on quality system design, optimization, and implementation.

Good Clinical Practices

Our team of regulatory and quality experts use a risk-based methodology when evaluating clinical quality systems and building sustainable solutions for long-term regulatory success.

Inspectional Readiness

ELIQUENT applies extensive regulatory perspective to develop and implement custom strategies to prepare companies for inspections and align with regulatory expectations.

Laboratory Controls & Data Integrity

ELIQUENT experts work with companies to design tailored solutions that equip companies with laboratory controls and data integrity solutions to ensure manufacturing performance.

Compliance & Enforcement Actions

Our team of skilled compliance and enforcement experts provide specialized support and strategic direction when responding to regulatory compliance & enforcement actions.

Regulatory Meetings & Communications

ELIQUENT's team of respected professionals bring an unmatched level of credibility and trust when interacting with global regulators and guiding companies on the regulatory pathway.

Supply Chain Optimization

ELIQUENT's integrated solutions equip life science innovators and manufacturers with strategic insight and actionable strategies to strengthen supply chain management practices.

Consultation, Training & Guidance

ELIQUENT experts provide in-person and remote training services that equip internal teams to drive continual improvement and help build a common culture of accountability.

To approval and beyond

ELIQUENT guides innovators on their path to approval and beyond. As former regulators and industry leaders, our understanding of the product lifecycle is unrivaled. ELIQUENT's highly specialized experts provide both strategic direction and hands-on execution services to support clients from the earliest phases of development to post-approval regulatory support.

Drugs & Biologics Products

ELIQUENT's team of experts provide strategic and technical guidance on drugs and biologics from product development to regulatory review and beyond post-market requirements.

Combination Products

Unlock the full potential of your combination product. Our team supports companies developing combination products with expert guidance throughout the product lifecycle.

Advance Therapies & CGT

Our team of regulatory and clinical experts apply their specialized skillset to move complex autologous or allogeneic therapies through the regulatory process to manufacturing and beyond.

Devices & Diagnostics

Leverage our team's extensive experience as you navigate the process of bringing new devices and diagnostics to market and manufacturing them to quality standards.

Comprehensive Capabilities

The combined achievements and substantial qualifications of the ELIQUENT team enables a full-service engagement that delivers end-to-end support. Together, we unlock regulatory excellence.

The ELIQUENT difference

From thought to finish, concept to commerce, and strategy to execution – ELIQUENT Life Sciences is the singular regulatory resource that clients around the world trust.
