

Regulatory Clarity

FROM **idea** to **impact**

ELIQUENT Life Sciences brings clarity to regulatory complexity. We are expert consultants delivering the answers and solutions that life sciences innovators need to gain and maintain market authorization for their products.

Quality & Compliance Solutions

A strong quality program is a cornerstone of regulatory success. With decades of experience developed as leaders in both the public and private sectors, ELIQUENT is the industry leader in quality and compliance capabilities. Our team of respected professionals, along with a network of ready to deploy global experts, serve as trusted partners to global life science innovators by guiding companies to sustainable quality and regulatory excellence.

Full-Service Support

ELIQUENT's unique platform goes beyond traditional consulting to deliver end-to-end solutions. Our integrated quality and compliance services address the entire product lifecycle with best-in-class insight and solutions that bridge the spectrum of regulatory challenges. ELIQUENT full-service quality and compliance solutions align with your regulatory goals to unlock success.

Pipeline Review & Optimization

Our team of regulatory experts evaluate and prioritize development pipelines to identify valuable portfolio opportunities and to understand and effectively manage regulatory risks.

Clinical Programs

With decades of hands-on experience, ELIQUENT professionals provide best-in-class scientific and regulatory guidance on nonclinical, preclinical, and clinical programs across all therapeutic areas.

CMC Strategy

ELIQUENT's highly experienced team of specialists strengthen CMC packages by facilitating risk-based evaluations that enable effective design and implementation strategies.

Pathway Decisions & Eligibility

ELIQUENT experts work with companies to develop comprehensive regulatory strategies that take into account special designation eligibility and the pathway selection for a successful result.

Regulatory Meetings & Communications

ELIQUENT's team of respected professionals bring an unmatched level of credibility and trust when interacting with global regulators and guiding companies on the regulatory pathway.

Regulatory Submissions

ELIQUENT applies extensive regulatory perspective to develop and implement actionable strategies that optimize a product's regulatory submission and enhance agency interactions.

Expert Training

ELIQUENT's customizable training programs equip teams and employees with the tools and skills to maintain global regulatory processes and build a common culture of accountability.

Lifecycle Support

ELIQUENT's integrated solutions equip innovators with strategic insight and actionable strategies that span the product lifecycle and unlock regulatory success.

To approval and beyond

ELIQUENT guides innovators on their path to approval and beyond. As former regulators and industry leaders, our understanding of the product lifecycle is unrivaled. ELIQUENT's highly specialized experts provide both strategic direction and hands-on execution services to support clients from the earliest phases of development to post-approval regulatory support.

Drugs & Biologics Products

ELIQUENT's team of experts provide strategic and technical guidance on drugs and biologics from product development to regulatory review and beyond post-market requirements.

Combination Products

Unlock the full potential of your combination product. Our team supports companies developing combination products with expert guidance throughout the product lifecycle.

Advance Therapies & CGT

Our team of regulatory and clinical experts apply their specialized skillset to move complex autologous or allogeneic therapies through the regulatory process to manufacturing and beyond.

Devices & Diagnostics

Leverage the extensive experience and expansive technical skill of the ELIQUENT team as you navigate the process of bringing new devices and diagnostics to market and manufacturing them to quality standards.

Full-Service Support

The combined achievements and substantial qualifications of the ELIQUENT team enables a full-service engagement that delivers end-to-end support. Our unique platform goes beyond traditional consulting to deliver end-to-end solutions.

The ELIQUENT difference

From thought to finish, concept to commerce, and strategy to execution - ELIQUENT Life Sciences is the singular regulatory resource that clients around the world trust.
